

Dans mon école,

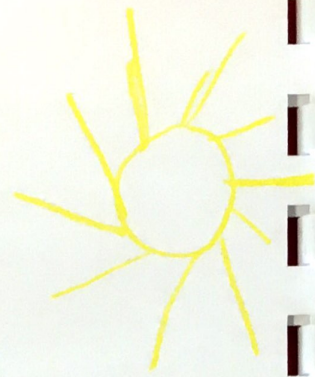

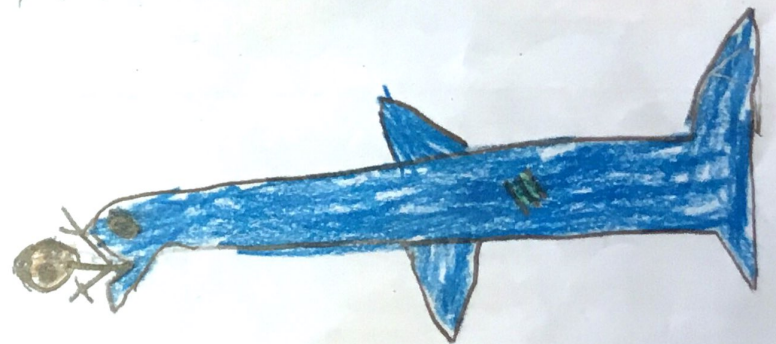

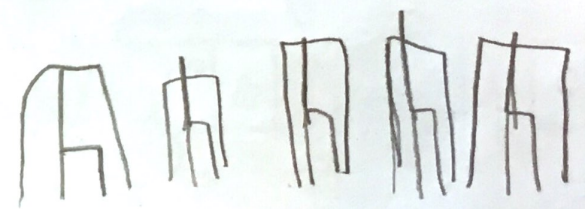

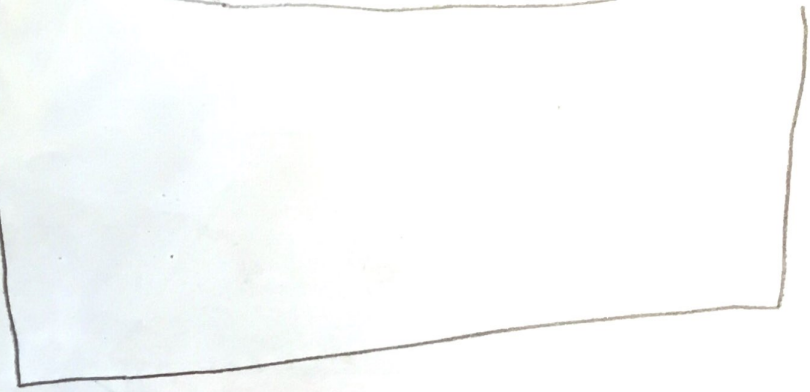

Dans mon école,

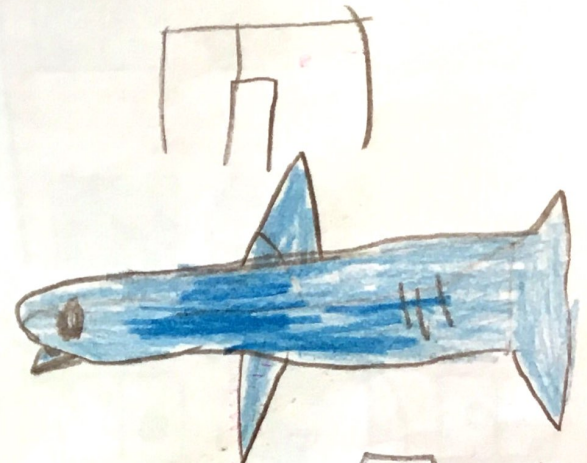

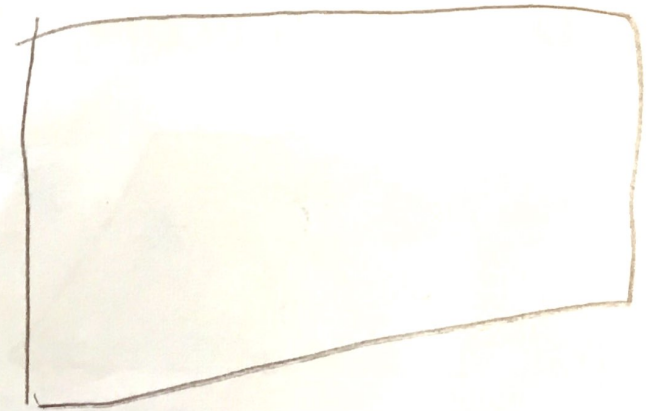

il y a un requin qui mange les enfants.

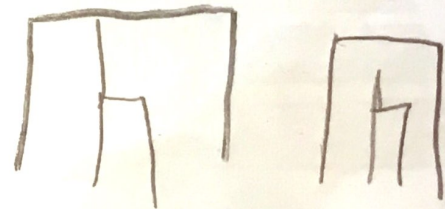

Dans mon école,

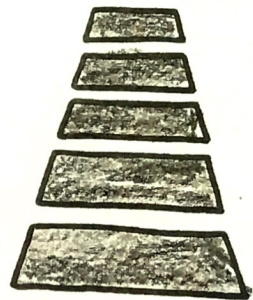

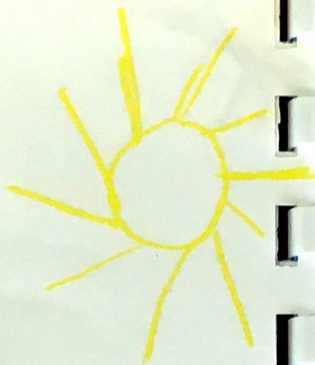

Il y a un cachalot qui écrit sur les feuilles.

Dans mon école,

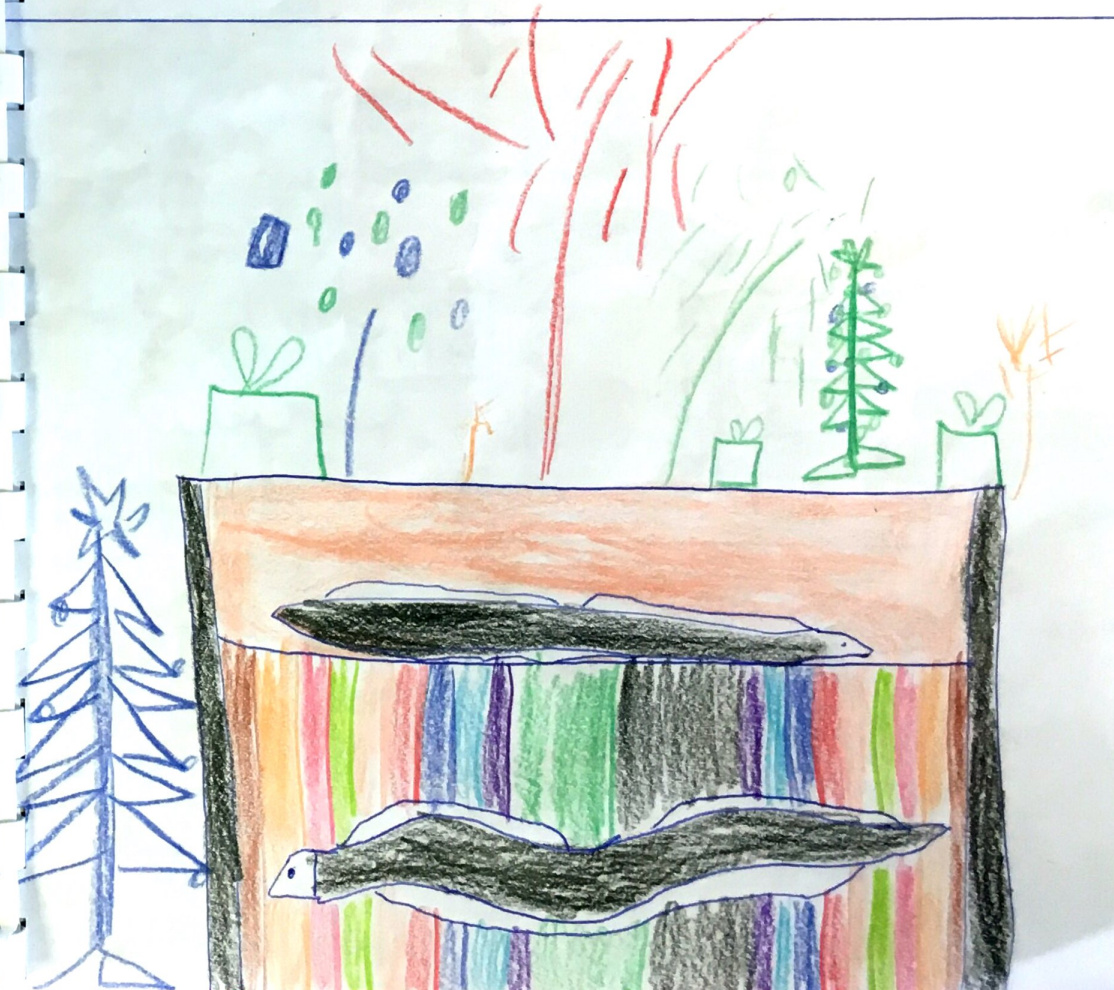

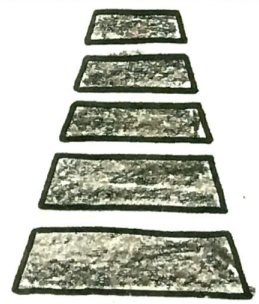

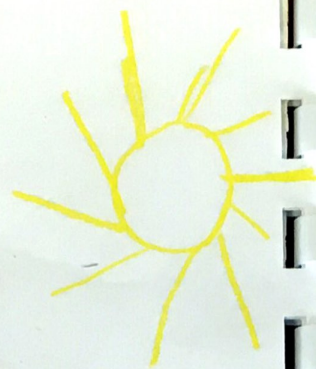

il y a une murène qui fait du toboggan

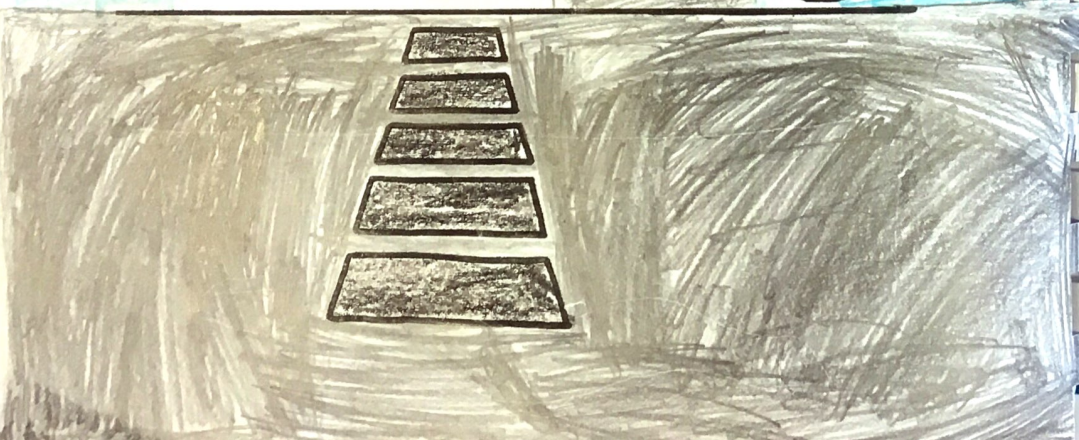

Dans mon école,

il y a une anguille électrique qui électrocute tous les enfants de l'école.

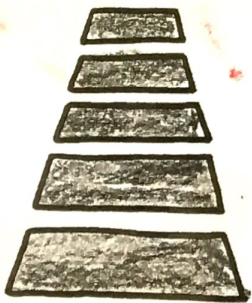

Dans mon école,

se cache un crabe. Il est en train de casser tous les crayons de la classe.

Dans mon école,

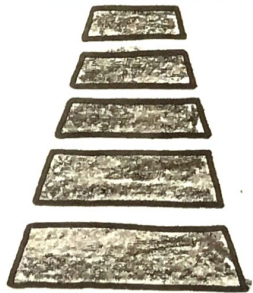

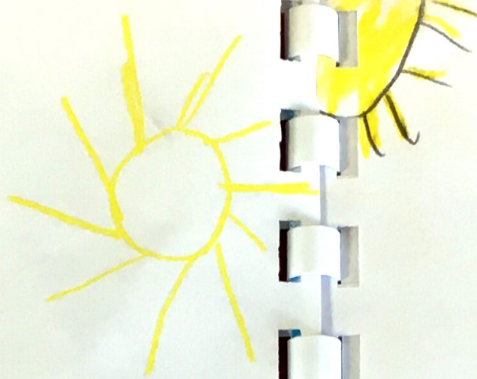

il y a une baleine bleue qui mange tout ce qu'elle voit.

Dans mon école,

il y a un requin qui fait de la balançoire.
